### Volunteer at Killbear!

If you love Killbear and can contribute a few hours a week on a regular basis over the summer, the Nature Shoppe is always looking for help. Whether receiving new product, restocking the shelves, or helping at the cash, your efforts help FOK fund a variety of Killbear projects and initiatives.

If you are a student, volunteering with us could count toward your mandatory 40-hour volunteer requirement.

Stop by the Nature Shoppe, or email **info@friendsofkillbear.com** for more information. We look forward to meeting you!
