FRIENDS OF KILLBEAR

December 2024

Serving the interests of the park in harmony with the community

Twin Points Barrier Free Access and Viewing Platform

Ontario Parks is currently managing the project. Killbear Park Superintendent Matt Gibson recently reported that:

- Engineered construction drawings are being procured which will help inform costs and construction options.
- No construction date has been set, however the project remains on a provincial priority list.
- Projects of this scale, require significant resources to ensure proper construction.

We will continue to keep you informed about the status of the project.

Survey Update

This summer FOK created a survey to learn what projects park users would like to see. We received 471 responses, some online and some on paper. We are currently analyzing the data, and will report on the results in the coming months.

2025 AGM

Saturday May 3 2025
Killbear Provincial Park
Administration Building

We will email invitations and proxies to members in early April.

In order to participate your 2025 membership must be up to date.

Looking for a Bigger Tax Break?

Donate stocks or mutual funds directly to Friends of Killbear before Dec. 31 and

- Avoid capital gains taxes on donated securities (in most cases)
- Receive a tax receipt for the fair market value of the security at the time of the donation
- FOK receives the full market value when the security is sold
